

Saturday -

My dear William -

I have been in bed all

of the week with an interstrial  
disturbance - to it for or not I  
do not know - but I was so  
miserable for a day or two almost  
wished I could check out - but  
that spell is all over & Richard  
is about to be himself again -

I will be listening for the boys  
to call me today - If they come  
will certainly get my hands on  
them - & Will & Arthur will be  
delighted to take them to the M<sup>r</sup>/lanny.  
Perhaps George & Chuck had not  
come because they did not know  
where to send it - I don't know  
how these checks are handled -  
But I am glad the boys are coming  
up - Have been sorry that you  
and Grace did not come up

last year —

You ask why Mother would any thing from  
this Hatten Estate — I can simply answer because we  
wanted her to have it — I felt personally and I  
think the other did too, that if it had not been for her  
we probably would never have entered the suit or gotten  
any thing from this Estate — When I am down there  
I will tell you how she fought for us against some  
terrible odds — when she was at Uncle Wills funeral —

Life has been complicated for all of <sup>us</sup> Lillian — and  
many things happen that we cannot understand and certainly  
cannot control — but there is much to be happy about too —

Tell the Boys I am looking for them — and Oh! how  
glad I will be to see them — I thought we had lost George —  
Do hope Eleanor Anne is still there — Love to my body  
not forgetting Lillian — Affectionately

Edith —
